An act to amend Sections 8421, 8421.5, 8422, 8423, 8425, 8426, 8427, 8482.3, 8482.55, 8482.8, 8483.3, 8483.7, 8483.75, 8483.76, 8484, 8484.1, 8484.7, and 8484.8 of, to add Sections 8482.1, 8484.65, and 8484.85 to, and to repeal Section 8428 of, the Education Code, relating to after school programs.

LEGISLATIVE COUNSEL'S DIGEST

SB 1221, as amended, Hancock. After school programs.

(1) Existing law establishes the 21st Century High School After School Safety and Enrichment for Teens (ASSETs) program, and requires a high school after school program, established as specified, to consist of an academic assistance element and an enrichment element that include certain things. Existing law requires applicants for grants to ensure that certain requirements are fulfilled, as applicable, including a certification that each applicant or partner in the application agrees, among other things, to provide to the State Department of Education information on participating pupils' schoolday attendance rates, pupil test scores from a specified program, pupil achievement on the high school exit examination, as applicable, and program attendance.

This bill would instead require a certification that each applicant or partner in the application agrees, among other things, to provide to the department information on participating pupils' schoolday attendance rates and program attendance.

(2) Existing law requires priority for funding pursuant to the ASSETs program to be given to programs that serve pupils attending a school whose most recent score on the Academic Performance Index ranks the school in the lowest 3 deciles and programs that previously received funding, as specified, for expansion of existing grants up to a certain per site maximum or to replace expiring grants that have satisfactorily met their projected attendance goals and demonstrated other positive outcomes regarding, but not limited to, performance on the high school exit examination, graduation rates, schoolday attendance, and positive behavioral changes.

This bill would instead require priority for funding to be given to programs that ~~serve pupils attending a school whose most recent score on the Academic Performance Index ranks the school in the lowest 3 deciles and~~ programs that previously received funding, as specified, for expansion of existing grants up to a certain per site maximum or to replace expiring grants that have satisfactorily met their projected attendance goals.

(3) Existing law establishes the After School Education and Safety Program (ASES). Existing law requires a high school after school program established pursuant to the ASSETs program and a program established pursuant to ASES to submit to the department annual outcome-based data for evaluation, including research-based indicators and measurable pupil outcomes, as specified. Existing law requires grantees to submit certain attendance information to demonstrate program effectiveness, and, to demonstrate program effectiveness based upon individual program focus, requires programs to select one or more measures, as specified, to be submitted annually. Existing law provides that those measures include positive behavioral changes, as specified, for programs established pursuant to the ASSETs program pupil performance on the high school exit examination and graduation rates, pupil performance on the Standardized Testing and Reporting Program (STAR Program) test, homework completion rates, and skill development, as specified.

This bill would instead require a high school after school program established pursuant to the ASSETs program and a program established pursuant to ASES to submit to the department annual outcome-based data for evaluation. The bill would require grantees to submit certain attendance information to demonstrate program effectiveness using the ~~unique-state~~ *statewide* pupil identifiers for participating pupils who are unduplicated pupils. The bill would require programs to submit evidence

of a *data-driven* program quality improvement process that is based on the department's guidance on program quality standards, as specified. ~~The bill would require programs to submit social, behavioral, or skill development outcome measures by unique statewide pupil identifiers, based on a list of field-recognized and research-based tools and assessments developed by the department, as specified.~~

(4) Existing law specifies that each school that establishes an ASES program is eligible to receive a 3-year direct grant. Existing law specifies the maximum total direct grant amount awarded annually and requires that a school that establishes a program, as specified, to be eligible to receive a supplemental grant to operate the program in excess of 180 regular schooldays or during any combination of summer, intersession, or vacation period for a maximum of the lesser of 2 specified amounts.

This bill would replace a direct grant with an after school grant. The bill would specify the minimum total after school grant that may be awarded. The bill would replace a supplemental grant with a summer grant, as defined. The bill would specify the maximum total summer grant that may be awarded. The bill would also define the term "expanded learning."

(5) Existing law provides that a school that establishes a program pursuant to specified provisions of ASES is eligible to receive a supplemental grant to operate the program, as specified, for a maximum of 30% of the total grant amount awarded, per school year, to the school. Existing law authorizes an existing after school supplemental grantee to operate a 3-hour or 6-hour per day program, but prohibits a grantee from receiving additional grant funds for the purposes of operating a 6-hour per day program.

This bill would instead provide that a school that establishes a program pursuant to specified provisions of ASES is eligible to receive a summer grant to operate the program, as specified, for a maximum of either 30% of the total grant amount awarded, per school year, to the school, or \$33,750 for each regular school year for each elementary school and \$45,000 for each regular school year for each middle or junior high school. The bill would also authorize an existing after school summer grantee to operate a 3-hour or 6-hour per day program.

(6) Existing law authorizes the State Department of Education to terminate a program established pursuant to the provisions of ASES if the program consistently fails to demonstrate measurable program outcomes, as defined, for 3 consecutive years. Existing law authorizes measurable program outcomes to be demonstrated by, but not be limited

to, comparing pupils participating in the program to nonparticipating pupils at the same schoolsite and pupils participating in the program who demonstrate improvement on one or more indicators collected by the program, as specified. Existing law authorizes program effectiveness to be demonstrated using performance levels from the STAR Program by specified documentation.

This bill would instead authorize measurable program outcomes to be demonstrated by, but not be limited to, comparing pupils participating in the program to nonparticipating pupils at the same schoolsite. The bill would repeal the authority to demonstrate program effectiveness using performance levels from the STAR Program by specified documentation.

(7) Existing law, to the extent consistent with federal and state privacy laws, authorizes local educational agency grantees funded pursuant to specified provisions to submit certain pupil data to an operator of an after school program with which the local educational agency has a contract, including STAR Program test scores and scores on individual California Standards Tests.

This bill would instead, to the extent consistent with federal and state privacy laws, authorize local educational agency grantees funded pursuant to specified provisions to submit certain pupil data to an operator of an after school program *or summer program, or both*, with which the local educational agency has a contract, including statewide test and assessment scores.

(8) Existing law prohibits a program established pursuant to the provisions of ASES located off school grounds from being approved unless safe transportation is provided to the pupils enrolled in the program.

This bill would authorize additional funding to be provided for transportation, as specified, if a program is operated at a schoolsite located in an area that has a population density of less than 11 persons per square mile.

(9) Existing law states the intent of the Legislature that the 21st Century Community Learning Centers (21st CCLC) program contained within a specified federal act complement ASES. Existing law requires at least 10% of the total amount appropriated pursuant to the 21st CCLC program, except as specified, to be available for direct grants to provide equitable access and participation in community learning center programs and to provide family literacy services, as specified. Existing law also requires at least 40% of the total amount appropriated pursuant

to the 21st CCLC program, except as specified, be allocated to programs serving elementary and middle school pupils. Existing law requires core funding grants for programs serving middle and elementary school pupils in before and after school programs to be allocated according to the same funding provisions, and subject to the same reporting and accountability provisions, as described in specified provisions of ASES.

This bill would instead require at least 5% of the total amount appropriated pursuant to the 21st CCLC program, except as specified, to be available for grants to provide equitable access and participation in community learning center programs. The bill would require after school and summer funding grants for programs serving middle and elementary school pupils to be allocated according to the same funding provisions, and subject to the same reporting and accountability provisions, as described in specified provisions of ASES. The bill would require priority to be given to grant applications that will provide year-round expanded learning programming, as defined. The bill would also require the State Department of Education to develop and submit a biennial report to the Legislature related to the pupils attending, and the program quality of, expanded learning programs, as defined, and would require the report to include data, as specified, and authorize the report to include aggregate reporting of certain information.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

14 (1) The department shall provide technical support for

29 the program that is under its proposed attendance level by more  
30 than 15 percent in each of two consecutive years.

31 (4) In any year, after the first grant-year period, that the actual  
32 attendance level of a school within the program falls below 75  
33 percent of the proposed attendance level, the department shall  
34 perform a review of the program and may adjust the grant level  
35 as the department deems appropriate.

36 (e) Notwithstanding any other provision of this section or any  
37 other law, the department may at any time terminate the grant of  
38 a school in a public school program that fails in three consecutive  
39 years to meet either of the following requirements:

(2) Attain 75 percent of its proposed attendance levels after having its program reviews and grant level adjusted by the department.

(f) The department shall create a process to allow a grantee to voluntarily lower its annual grant amount if one or more sites are unable to meet the proposed pupil attendance levels by the end of the second year of the grant.

(g) (1) The administrator of a program may supplement, but not supplant, existing funding for after school programs with grant funds awarded pursuant to this article.

(2) In addition to administrative costs, a program participant may expend up to the greater of 6 percent of its state funding or seven thousand five hundred dollars (\$7,500) to collect outcome data for evaluation and for reports to the department.

(3) All state funding awarded to a program pursuant to this article that remains after subtracting the administrative costs, startup costs, and outcome data costs authorized by subdivisions (c) and (d) shall be allocated to the program site for direct services to pupils.

(h) When determining grant award amounts after each grant year, the department may consider whether a program is operating consistent with the terms of its application, including whether the number of pupils served on a regular basis is consistent with the number estimated, and may consider the strength of any justifications or future plans offered by the program to address inconsistencies with the terms of the application. If the department finds that a program is not operating consistent with the terms of its application, the department may take appropriate action, including denying grant awards or reducing the level of grant funding.

SEC. 7. Section 8427 of the Education Code is amended to read:

8427. (a) A high school after school program established pursuant to this article shall submit to the department annual outcome-based data for evaluation.

2 quality improvement process that is based on the department's  
3 guidance on program quality standards developed pursuant to  
4 paragraph (4).

6 ~~development outcome measures by unique statewide pupil~~  
7 ~~identifiers, based on a list of field-recognized and research-based~~

9 ~~outcomes related to specific social-emotional competencies include,~~  
10 ~~but are not necessarily limited to, social skills, self-control,~~  
11 ~~empathy, perseverance, conflict resolution, and~~  
12 ~~school-connectedness. The menu of tools and assessments shall~~  
13 ~~lend themselves to program evaluation and continuous~~  
14 ~~improvement processes so that they can be easily combined to~~  
15 ~~match the focus and context of the wide variation of funded~~  
16 ~~expanded learning programs. No one tool or assessment shall be~~  
17 ~~given priority, and this list of tools and assessments shall be~~  
18 ~~reviewed and updated annually to include future additions used in~~  
19 ~~the field and validated by research. This reporting requirement~~  
20 ~~shall be implemented by the department no later than the 2015-16~~  
21 ~~school year.~~

22 ~~(4)~~

23 (3) The department may develop additional measures to  
24 demonstrate program effectiveness, including, but not limited to,  
25 program quality standards. Additions shall be developed in  
26 consultation with the advisory committee pursuant to Section  
27 8484.9.

33 may terminate the program pursuant to the process described in  
34 subdivision (e) of Section 8426. The department shall consider  
35 multiple outcomes and not rely on one outcome in isolation.

36 (2) For purposes of this subdivision, "consistently fails to  
37 demonstrate measurable program outcomes" means failure to meet  
38 program effectiveness requirements pursuant to the criteria in  
39 paragraphs (1) and (2) of subdivision (a).

(3) Measurable program outcomes may be demonstrated by, but are not limited to, the following methods:

(A) Comparing pupils participating in the program to nonparticipating pupils at the same schoolsite.

(B) Pupils participating in the program demonstrate improvement on one or more indicators collected by the program pursuant to this section.

(c) The department shall identify or develop standardized procedures and tools to collect the indicators in paragraphs (1) and (2) of subdivision (a) in accordance with the recommendations made pursuant to paragraph (5) of subdivision (h) of Section 8484.9.

(b) “Summer grant” means funding to operate any program in excess of 180 regular schooldays or during any combination of summer, intersession, or vacation periods.

8 need not be limited to, fine arts, career technical education,  
9 recreation, physical fitness, and prevention activities.

19 (2) Applicants shall agree that meals made available through a  
20 program shall conform to the nutrition standards of the United  
21 States Department of Agriculture's at-risk afterschool meal

10 to read:

11 8482.55. (a) To accomplish the purposes of the After School  
12 Education and Safety Program, commencing with the fiscal year  
13 beginning July 1, 2004, and for each fiscal year thereafter, all  
14 grants made pursuant to this article shall be awarded as set forth  
15 in this section.

16 (b) (1) Grants made to public schools pursuant to this article  
17 for the 2005–06 fiscal year shall continue to be funded in each  
18 subsequent fiscal year at the 2005–06 fiscal year level, after the

20 of Section 8483.7 and paragraphs (1) and (2) of subdivision (a) of  
21 Section 8483.75 have been made, before any other grants are  
22 funded under this article, provided those schools continue to make  
23 application for the grants and are otherwise qualified pursuant to  
24 this article. Receipt of a grant at the 2005–06 fiscal year level made  
25 pursuant to this subdivision shall not affect a school's eligibility  
26 for additional grant funding as permitted in subdivisions (c) and  
27 (d) up to the maximum grants permitted in Sections 8483.7 and  
28 8483.75.

29 (2) (A) An elementary or middle school program grantee funded  
30 pursuant to Section 8484.8 shall apply to receive a new grant under  
31 this article in the 2006–07 fiscal year. These programs shall receive  
32 priority for funding before any new grant is funded pursuant to  
33 this article if the program is otherwise qualified pursuant to this  
34 article. Notwithstanding the maximum grant amounts permitted  
35 in Sections 8483.7 and 8483.75, the grantee shall receive the same  
36 amount of grant funding that it was awarded pursuant to Section  
37 8484.8 in the fiscal year before the year for which the grantee  
38 requests funding pursuant to this article. The grantee shall apply  
39 to the department, and elect to receive funding under this article,  
40 on or before a date established by the department that is before the

1 date by which the department awards new grants pursuant to this  
2 article.

3 (B) Grantees funded pursuant to Section 8484.8 in the 2005–06  
4 fiscal year may elect to receive funding pursuant to this article

9 school grant for after school programs to be operated during the  
10 regular school year, as provided in subparagraph (A) of paragraph  
11 (1) of subdivision (a) of Section 8483.7. In the case of schools  
12 serving a combination of elementary, middle, and junior high  
13 school pupils, the applicant may apply for a grant with funding  
14 based on the middle school grant maximum. The program shall  
15 comply with the elementary program and attendance requirements

17 school serving a combination of middle and junior high school  
18 and high school pupils shall be eligible to apply for a grant to serve  
19 pupils through grade 9. Except as provided in this subdivision,  
20 grants for after school programs made pursuant to this subdivision  
21 shall be subject to all other sections of this article. Grants for after  
22 school programs made pursuant to this subdivision shall not exceed

26 each middle or junior high school. Except as provided in  
27 subdivision (f) of this section and subdivision (a) of Section 8482.5,  
28 each public elementary, middle, and junior high school in the state  
29 shall have equal priority of funding for grants for after school  
30 programs made pursuant to this subdivision. Receipt of a grant for  
31 an after school program made pursuant to this subdivision shall  
32 not affect a school's eligibility for additional grant funding as  
33 permitted in subdivision (d) up to the maximum grants permitted  
34 in Sections 8483.7 and 8483.75. Grants made pursuant to this  
35 subdivision shall be funded after grants made pursuant to  
36 subdivision (b) and before any grants made pursuant to subdivision  
37 (d). Grants made pursuant to this subdivision shall be referred to  
38 as "After School Education and Safety Universal Grants."

39 (d) All funds remaining from the appropriation provided in  
40 Section 8483.5 after award of grants pursuant to subdivisions (b)

1 and (c) shall be distributed pursuant to Sections 8483.7 and  
2 8483.75. Grants for programs made pursuant to this subdivision  
3 shall be subject to all other sections of this article. Priority for  
4 grants for programs made pursuant to this subdivision shall be  
5 established pursuant to subdivision (a) of Section 8482.5 and  
6 Section 8483.3.

7 (e) With the exception of schools previously funded under both  
8 this article and Section 8484.8, a school shall not receive grants  
9 in excess of the amounts provided in Sections 8483.7 and 8483.75.

10 (f) If in any fiscal year the appropriation made pursuant to  
11 Section 8483.5 is insufficient to fund all eligible schools who  
12 submit an eligible application for After School Education and  
13 Safety Universal Grants pursuant to subdivision (c), priority for  
14 After School Education and Safety Universal Grants shall be  
15 established pursuant to subdivision (a) of Sections 8482.5 and  
16 8483.3.

17 ~~SEC. 11.~~

18 *SEC. 12.* Section 8482.8 of the Education Code is amended to  
19 read:

20 8482.8. (a) If there is a significant barrier to pupil participation  
21 in a program established pursuant to this article at the school of  
22 attendance for either the before school or the after school  
23 component, an applicant may request approval from the  
24 Superintendent, before or during the grant application process, to  
25 provide services at another schoolsite for that component. An  
26 applicant that requests approval shall describe the manner in which  
27 the applicant intends to provide safe, supervised transportation  
28 between schoolsites; ensure communication among teachers in the  
29 regular school program, staff in the before school and after school  
30 components of the program, and parents of pupils; and coordinate  
31 the educational and literacy component of the before and after  
32 school components of the program with the regular school  
33 programs of participating pupils.

34 (b) For purposes of this article, a significant barrier to pupil  
35 participation in the before school or the after school component  
36 of a program established pursuant to this chapter means either of  
37 the following:

38 (1) Fewer than 20 pupils participating in the component of the  
39 program.

(2) Extreme transportation constraints, including, but not limited to, desegregation bussing, bussing for magnet or open enrollment schools, or pupil dependence on public transportation.

(c) In addition to the authority to transfer funds among school programs pursuant to Sections 8483.7 and 8483.75, and in addition to the flexibility provided by subdivisions (a) and (b), a program grantee that is temporarily prevented from operating a program established pursuant to this article at the program site due to natural disaster, civil unrest, or imminent danger to pupils or staff may shift program funds to the sites of other programs established pursuant to this article to meet attendance targets during that time period.

(d) If a program grantee is temporarily prevented from operating its entire program due to natural disaster, civil unrest, or imminent danger to pupils or staff, the department may recommend, and the state board may approve, a request by the grantee for payment equal to the amount of funding the grantee would have received if it had been able to operate its entire program during that time period.

(e) Upon the request of a program grantee, the state board may approve other unforeseen events as qualifying a program grantee to use the authority provided by subdivisions (c) and (d).

~~SEC. 12.~~

(b) The department shall consider the following in selecting schools to participate in the program established pursuant to this article:

(4) Staff training and development will be provided.

(5) Integration with the regular schoolday and other expanded learning opportunities.

These pupil data outcomes may relate to specific social-emotional competencies, including, but not necessarily limited to, social skills, self-control, academic mindset, perseverance, conflict resolution, and school-connectedness.*

(d) Subdivision (b) does not apply to an applicant school that meets the priority criteria described in subdivision (a) of Section 8482.5.

~~SEC. 13.~~

*SEC. 14.* Section 8483.7 of the Education Code is amended to read:

8483.7. (a) (1) (A) Each school that establishes a program pursuant to this article is eligible to receive a three-year after school

1 grant, that shall be awarded in three one-year increments and is  
2 subject to semiannual attendance reporting and requirements as  
3 described in Section 8482.3 once every three years.

4 (i) The department shall provide technical support for  
5 development of a program improvement plan for grantees under  
6 the following conditions:

7 (I) If actual pupil attendance falls below 75 percent of the target  
8 attendance level in any year of the grant.

9 (II) If the grantee fails, in any year of the grant, to demonstrate  
10 measurable outcomes pursuant to Section 8484.

11 (ii) The department shall adjust the grant level of any school  
12 within the program that is under its targeted attendance level by  
13 more than 15 percent in each of two consecutive years.

14 (iii) In any year after the initial grant year, if the actual  
15 attendance level of a school within the program falls below 75  
16 percent of the target attendance level, the department shall perform  
17 a review of the program and adjust the grant level as the department  
18 deems appropriate.

19 (iv) The department shall create a process to allow a grantee to  
20 voluntarily lower its annual grant amount if one or more sites are  
21 unable to meet the proposed pupil attendance levels by the end of  
22 the second year of the grant.

23 (v) A grantee who has had its grant amount reduced may  
24 subsequently request an increase in funding up to the maximum  
25 grant amounts provided under this subdivision.

26 (vi) The department may terminate the grant of any site or  
27 program that does not comply with fiscal reporting, attendance  
28 reporting, or outcomes reporting requirements established by the  
29 department and pursuant to Section 8484. The department may  
30 withhold the grant allocation for a program or site if the prior grant  
31 year's fiscal or attendance reporting remains outstanding, until the  
32 reports have been filed with the department.

33 (vii) Notwithstanding any other provision of this subdivision  
34 or any other law, after the technical assistance required under  
35 clause (i) has been provided, the department may at any time  
36 terminate the grant of a school in a program that fails for three  
37 consecutive years to meet either of the following requirements:

38 (I) Demonstrate measurable program outcomes pursuant to  
39 Section 8484.

1 (II) Attain 75 percent of its proposed attendance level after  
2 having had its program reviewed and grant level adjusted by the  
3 department.

4 (B) After school grants may be awarded to applicants that have  
5 demonstrated readiness to begin operation of a program or to  
6 expand existing programs.

7 (C) The maximum total after school grant amount awarded  
8 annually pursuant to this paragraph shall be one hundred twelve  
9 thousand five hundred dollars (\$112,500) for each regular school  
10 year for each elementary school and one hundred fifty thousand  
11 dollars (\$150,000) for each regular school year for each middle or  
12 junior high school. The Superintendent shall determine the total  
13 annual after school grant amount for which a site is eligible based  
14 on a formula of seven dollars and fifty cents (\$7.50) per pupil per  
15 day of pupil attendance that the program plans to serve, with a  
16 maximum total grant of thirty-seven dollars and fifty cents (\$37.50)  
17 per projected pupil per week, and a formula of seven dollars and  
18 fifty cents (\$7.50) per projected pupil per day of staff development,  
19 with a maximum of three staff development days per year. A  
20 program may provide the three days of staff development during  
21 regular program hours using funds from the total grant award.

22 (2) For large schools, the maximum total grant amounts  
23 described in paragraph (1) may be increased based on the following  
24 formulas, up to a maximum amount of twice the respective limits  
25 specified in paragraph (1):

26 (A) For elementary schools, multiply one hundred thirteen  
27 dollars (\$113) by the number of pupils enrolled at the schoolsite  
28 for the normal schoolday program that exceeds 600.

30 (\$113) by the number of pupils enrolled at the schoolsite for the  
31 normal schoolday program that exceeds 900.

32 (3) The maximum total grant amounts set forth in subparagraph  
33 (C) of paragraph (1) may be increased from any funds made  
34 available for this purpose in the annual Budget Act for participating  
35 schools that have pupils on waiting lists for the program. Grants  
36 may be increased by the lesser of an amount that is either 25  
37 percent of the current maximum total grant amount or equal to the  
38 proportion of pupils unserved by the program as measured by  
39 documented waiting lists as of January 1 of the previous grant  
40 year, compared to the actual after school enrollment on the same

1 date. The amount of the required cash or in-kind matching funds  
2 shall be increased accordingly. First priority for an increased  
3 maximum grant pursuant to this paragraph shall be given to schools  
4 that qualify for funding pursuant to subdivision (b) of Section  
5 8482.55. Second priority shall be given to schools that receive  
6 funding priority pursuant to subdivision (f) of Section 8482.55.

7 (4) The minimum total after school grant amount for each  
8 schoolsite that may be awarded pursuant to this section shall be  
9 computed by multiplying the applicable rate per pupil per day of  
10 pupil attendance by 20 pupils being served for 180 regular  
11 schooldays.

12 (5) A school that establishes a program pursuant to this section  
13 is eligible to receive a summer grant to operate the program in  
14 excess of 180 regular schooldays or during any combination of  
15 summer, intersession, or vacation periods for a maximum of the  
16 lesser of the following amounts:

17 (A) Seven dollars and fifty cents (\$7.50) per day per pupil.

18 (B) Thirty percent of the total grant amount awarded to the  
19 school per school year pursuant to subparagraph (C) of paragraph

21 (C) Notwithstanding subparagraphs (A) and (B), the maximum  
22 total summer grant that may be awarded annually pursuant to this  
23 paragraph shall be thirty-three thousand seven hundred fifty dollars  
24 (\$33,750) for each regular school year for each elementary school  
25 and forty-five thousand dollars (\$45,000) for each regular school  
26 year for each middle or junior high school.

27 (6) Additional funding may be made available for transportation  
28 in programs that meet the requirements of Section 8484.65, in an  
29 amount not to exceed ~~twenty-five thousand dollars (\$25,000)~~ *fifteen*  
30 *thousand dollars (\$15,000)* per site, per school year, *as funds are*

37 *supplant, local transportation services.*

38 (7) Each program shall provide an amount of cash or in-kind  
39 local funds equal to not less than one-third of the total grant from  
40 the school district, governmental agencies, community

1 organizations, or the private sector. Facilities or space usage may  
2 fulfill not more than 25 percent of the required local contribution.

3 (8) (A) A grantee may allocate, with departmental approval,  
4 up to 125 percent of the maximum total grant amount for an  
5 individual school, so long as the maximum total grant amount for  
6 all school programs administered by the program grantee is not  
7 exceeded.

8 (B) A program grantee that transfers funds for purposes of  
9 administering a program pursuant to subparagraph (A) shall have  
10 an established waiting list for enrollment, and may transfer only  
11 from another school program that has met a minimum of 70 percent  
12 of its attendance goal.

13 (b) The administrator of a program established pursuant to this  
14 article may supplement, but not supplant, existing funding for after  
15 school programs with grant funds awarded pursuant to this article.  
16 State categorical funds for remedial education activities shall not  
17 be used to make the required contribution of local funds for those  
18 after school programs.

19 (c) Up to 15 percent of the initial year's grant amount for each  
20 grant recipient may be used for startup costs. Under no  
21 circumstance shall funding for startup costs result in an increase  
22 in the grant recipient's total funding above the approved grant  
23 amount.

24 (d) For each year of the grant, the department shall award the  
25 total grant amount for that year not later than 30 days after the date  
26 the grantee accepts the grant.

27 (e) The department may adjust the amount of a direct grant,  
28 awarded to a new applicant pursuant to this section, on the basis  
29 of the program start date, as determined by the department.

26 thousand seven hundred fifty dollars (\$33,750) for each regular  
27 school year for each elementary school and forty-five thousand  
28 dollars (\$45,000) for each regular school year for each middle or  
29 junior high school.

30 (b) An existing after school summer grantee may operate a  
31 three-hour or a six-hour per day program. If the grantee operates  
32 a six-hour per day program, the target attendance level for the  
33 purpose of grant reductions pursuant to subparagraph (A) of  
34 paragraph (1) of subdivision (a) of Section 8483.7 shall be  
35 computed as if the grant award were based upon the lesser of fifteen  
36 dollars (\$15) per day of pupil attendance or 30 percent of the total  
37 grant awarded to the school per school year.

38 (c) A summer grantee that operates a program pursuant to this  
39 section may change the location of the program to address the  
40 needs of pupils and school closures. The program may be

1 conducted at an offsite location or at an alternate schoolsite. The  
2 summer grantee shall give notice to the department of the change  
3 of location and shall include a plan to provide safe transportation  
4 pursuant to Section 8484.6.

5 (d) A summer grantee that operates a program pursuant to this  
6 section may open eligibility to every pupil attending a school in  
7 the school district. Priority for enrollment shall be given to the  
8 pupils enrolled in the school that receives the grant.

9 (e) A summer grantee operating a six-hour per day program  
10 shall provide for each needy pupil at least one nutritionally  
11 adequate free or reduced-price meal during each program day.

12 (f) A summer grantee that operates a six-hour per day program  
13 is required to submit, for prior approval by the department, a  
14 revised program plan that includes all of the following:

15 (1) A plan for provision of the free or reduced-price meal  
16 required by subdivision (e).

17 (2) An attendance and early release policy for the program that  
18 is consistent with the local educational agency's early release  
19 policy for the regular schoolday.

21 *SEC. 17.* Section 8484 of the Education Code is amended to  
22 read:

23 8484. (a) As required by the department, programs established  
24 pursuant to this article shall submit annual outcome-based data for  
25 evaluation. The department may consider these outcomes when  
26 determining eligibility for grant renewal.

27 (1) To demonstrate program effectiveness, grantees shall submit,  
28 using the unique statewide pupil identifiers, for participating pupils  
29 who are unduplicated pupils, both of the following:

30 (A) Schoolday attendance on an annual basis.

31 (B) Program attendance on a semiannual basis.

32 (2) Programs shall submit evidence of a *data-driven* program  
33 quality improvement process that is based on the department's  
34 guidance on program quality standards developed pursuant to  
35 paragraph ~~(4)~~ (3).

36 ~~(3) Programs shall submit social, behavioral, or skill~~  
37 ~~development outcome measures by unique statewide pupil~~  
38 ~~identifiers, based on a list of field-recognized and research-based~~  
39 ~~tools and assessments developed by the department. These pupil~~  
40 ~~outcomes related to specific social-emotional competencies include;~~

1 but are not necessarily limited to, social skills, self-control,  
2 empathy, perseverance, conflict resolution, and  
3 school-connectedness. The menu of tools and assessments shall  
4 lend themselves to program evaluation and continuous  
5 improvement processes so that they can be easily combined to  
6 match the focus and context of the wide variation of funded  
7 expanded learning programs. No one tool or assessment shall be  
8 given priority, and this list of tools and assessments shall be  
9 reviewed and updated annually to include future additions used in  
10 the field and validated by research. This reporting requirement  
11 shall be implemented by the department no later than the 2015-16  
12 school year.

13 (4)

14 (3) The department may develop additional measures for this  
15 paragraph, subdivision including, but not limited to, program  
16 quality standards. Additions shall be developed in consultation  
17 with the evaluation committee of the advisory committee.

18 (5)

19 (4) Programs shall submit information adopted through the  
20 process outlined in subdivision (c).

21 (b) (1) If a program consistently fails to demonstrate measurable  
22 program outcomes for three consecutive years, the department  
23 may terminate the program as described in subdivision (a) of  
24 Section 8483.7. The department shall consider multiple outcomes  
25 and not rely on one outcome in isolation.

26 (2) For purposes of this section, “consistently fails to  
27 demonstrate measurable program outcomes” means failure to meet  
28 program effectiveness requirements pursuant to the criteria in  
29 paragraphs (1) and (2) of subdivision (a).

30 (3) Measurable program outcomes may be demonstrated by,  
31 but are not limited to, comparing pupils participating in the  
32 program to nonparticipating pupils at the same schoolsite.

33 (c) The department shall develop standardized procedures and  
34 tools to collect the indicators in paragraphs (1) and (2) of  
35 subdivision (a). The department shall consult with the evaluation  
36 committee of the Advisory Committee on Before and After School  
37 Programs pursuant to Section 8484.9.

38 ~~SEC. 17.~~

39 *SEC. 18.* Section 8484.1 of the Education Code is amended to  
40 read:

1 8484.1. To the extent consistent with federal and state privacy  
2 laws, local educational agency grantees funded pursuant to this

- 14 (g) *Other academic measures, including grades and course*
- 15 *completion.*

16 ~~SEC. 18.~~

17 *SEC. 19.* Section 8484.65 is added to the Education Code,  
18 immediately following Section 8484.6, to read:

19 8484.65. If a program is operated at a schoolsite located in an  
20 area that has a population density of less than 11 persons per square  
21 mile, additional funding may be provided for transportation  
22 pursuant to Section 8483.7.

23 ~~SEC. 19.~~

24 *SEC. 20.* Section 8484.7 of the Education Code is amended to  
25 read:

26 8484.7. It is the intent of the Legislature that the 21st Century  
27 Community Learning Centers program contained within the federal  
28 No Child Left Behind Act of 2001 (Public Law 107-110)  
29 complement the After School Education and Safety Program  
30 established by Article 22.5 (commencing with Section 8482) to  
31 provide year-round opportunities for expanded learning, as defined  
32 in Section 8482.1, and to support the local flexibility needed to  
33 implement federal 21st Century Community Learning Centers  
34 programs through after school grants as specified in this article.

35 ~~SEC. 20.~~

36 *SEC. 21.* Section 8484.8 of the Education Code is amended to  
37 read:

38 8484.8. In accordance with Part B of Title IV of the federal  
39 No Child Left Behind Act of 2001 (Public Law 107-110), funds  
40 appropriated in Item 6110-197-0890 of Section 2.00 of the Budget

1 Act of 2002 are available for expenditure as follows, with any  
2 subsequent allocations for these purposes to be determined in the  
3 annual Budget Act:

4 (a) Beginning with the 2006–07 fiscal year, 5 percent of the  
5 federal funds appropriated through this article shall be available  
6 to the department for purposes of providing technical assistance,  
7 evaluation, and training services, and for contracting for local  
8 technical assistance, for carrying out programs related to 21st  
9 Century Community Learning Centers programs.

10 (1) The department shall provide directly, or contract for,  
11 technical assistance for new programs and any program that is not  
12 meeting attendance or performance goals, or both, and requests  
13 that assistance.

14 (2) (A) Training and support shall include, but is not limited  
15 to, the development and distribution of voluntary guidelines for  
16 physical activity programs established pursuant to subparagraph  
17 (B) of paragraph (1) of subdivision (c) of Section 8482.3, that  
18 expand the learning opportunities of the schoolday.

19 (B) The department shall distribute these voluntary guidelines  
20 for physical activity programs on or before July 1, 2009.

21 (3) In accordance with Part B of Title IV of the federal No Child  
22 Left Behind Act of 2001 (Public Law 107-110), funding for  
23 programs that promote parent involvement and family literacy are  
24 an allowable use of these funds.

25 (b) (1) At least 5 percent of the total amount appropriated  
26 pursuant to this article, after funds have been allocated pursuant  
27 to subdivision (a), shall be available for grants to provide equitable  
28 access and participation in community learning center programs,  
29 in an amount not to exceed twenty-five thousand dollars (\$25,000)  
30 per site, per year, according to needs determined by the local  
31 community.

32 (2) For purposes of paragraph (1), the department shall  
33 determine the requirements for eligibility for a grant, consistent  
34 with the following:

35 (A) Consistent with the local partnership approach inherent in  
36 Article 22.5 (commencing with Section 8482), grants awarded  
37 under this subdivision shall provide supplemental assistance to  
38 programs. It is not intended that a grant fund the full anticipated  
39 costs of the services provided by a community learning center  
40 program.

1 (B) In determining the need for a grant pursuant to this  
2 subdivision, the department shall base its determination on a needs  
3 assessment and a determination that existing resources are not  
4 available to meet these needs, including, but not limited to, a  
5 description of how the needs, strengths, and resources of the  
6 community have been assessed, currently available resources, and  
7 the justification for additional resources for that purpose.

8 (C) The department shall award grants for a specific purpose,  
9 as justified by the applicant.

10 (3) To be eligible to receive a grant under this subdivision, the  
11 designated public agency representative for the applicant shall  
12 certify that an annual fiscal audit will be conducted and that  
13 adequate, accurate records will be kept. In addition, each applicant  
14 shall provide the department with the assurance that funds received  
15 under this subdivision are expended only for those services and  
16 supports for which they are granted. The department shall require  
17 grant recipients to submit annual budget reports, and the department  
18 may withhold funds in subsequent years if after school grant funds  
19 are expended for purposes other than as awarded.

20 (4) The department shall require grant recipients to submit  
21 quarterly expenditure reports, and the department may withhold  
22 funds in subsequent years if access or literacy grant funds are  
23 expended for purposes other than as granted.

24 (c) At least 50 percent of the total amount appropriated pursuant  
25 to this article, after funds have been allocated pursuant to  
26 subdivision (a), shall be allocated on a priority basis for after school  
27 grants to community learning centers serving high school pupils  
28 funded pursuant to Section 8421.

29 (d) Grant awards under this section shall be restricted to those  
30 applications that propose primarily to serve pupils that attend  
31 schoolwide programs, as described in Title I of the federal No  
32 Child Left Behind Act of 2001 (Public Law 107-110). Competitive  
33 priority shall be given to applications that propose to serve pupils  
34 in schools designated as being in need of improvement under  
35 subsection (b) of Section 6316 of Title 20 of the United States  
36 Code, and that are jointly submitted by school districts and  
37 community-based organizations.

38 (e) (1) At least 40 percent of the total amount appropriated  
39 pursuant to this article, after funds have been allocated pursuant  
40 to subdivision (a), shall be allocated to programs serving

1 elementary and middle school pupils. The administrators of a  
2 program established pursuant to this article may operate during  
3 regular schooldays for a minimum of 15 hours per week and any  
4 combination of summer, intersession, or vacation periods for a  
5 minimum of three hours per day for the regular school year  
6 pursuant to Section 8483.7. Grantees administering comprehensive  
7 programs established pursuant to Section 8482.3 are also eligible  
8 for funding for summer, intersession, or vacation periods pursuant  
9 to this section.

10 (2) After school and summer funding grants for programs  
11 serving middle and elementary school pupils shall be allocated  
12 according to the same funding provisions, and subject to the same  
13 reporting and accountability provisions, as described in Sections  
14 8483.7 and 8483.75.

15 (3) Priority shall be given to grant applications that will provide  
16 year-round expanded learning programming, including programs  
17 that complement existing funded programs. Year-round expanded  
18 learning programs are defined as any combination of an applicant  
19 that provides year-round programming, an applicant that offers  
20 summer programming to complement existing after school  
21 programs, or an applicant that offers after school programs to  
22 complement existing summer programs. The applicant is not  
23 required to be the same entity that operates the existing program.

24 (4) (A) Funding for a grant shall be allocated in annual  
25 increments for a period not to exceed five years, subject to annual  
26 reporting and recertification as required by the department. The  
27 department shall establish a payment system to accommodate  
28 upfront payments. The department shall notify new grantees, whose  
29 grant awards are contingent upon the appropriation of funds for  
30 those grants, in writing no later than May 15 of each year in which  
31 new grants are awarded. A first-year grant award shall be made  
32 no later than 60 days after enactment of the annual Budget Act  
33 and any authorizing legislation. A grant award for the second and  
34 subsequent fiscal years shall be made no later than 30 days after  
35 enactment of the annual Budget Act and any authorizing legislation.  
36 The grantee shall notify the department in writing of its acceptance  
37 of the grant.

38 (B) For the first year of a grant, the department shall allocate  
39 25 percent of the grant for that year no later than 30 days after the  
40 grantee accepts the grant. For the second and subsequent years of

1 the grant, the department shall allocate 25 percent of the grant for  
2 that year no later than 30 days after the annual Budget Act becomes  
3 effective. The grantee shall not use more than 15 percent of an  
4 annual grant award for administrative costs.

5 (C) In addition to the funding allowed for administrative costs  
6 under subparagraph (B), up to 15 percent of the initial annual grant  
7 award for each after school grant recipient may be used for startup  
8 costs.

9 (D) Under no circumstance shall funding made available  
10 pursuant to subparagraphs (B) and (C) result in an increase in the  
11 total funding of a grantee above the approved grant amount.

12 (5) A grantee shall identify the federal, state, and local programs  
13 that will be combined or coordinated with the proposed program  
14 for the most effective use of public resources, and shall prepare a  
15 plan for continuing the program beyond federal grant funding.

16 (6) A grantee shall submit semiannual attendance data and  
17 results to facilitate evaluation and compliance in accordance with  
18 provisions established by the department.

19 (7) A program receiving a grant under this subdivision is not  
20 assured of grant renewal from future state or federal funding at  
21 the conclusion of the grant period. However, priority for funding  
22 pursuant to this subdivision shall be given to programs with  
23 expiring grants, if those programs have satisfactorily met projected  
24 pupil outcomes pursuant to subdivision (a) of Section 8484.

25 (f) A total annual grant award for after school funding and grants  
26 for a site serving elementary or middle school pupils shall be fifty  
27 thousand dollars (\$50,000) per year or more, consistent with federal  
28 requirements.

29 (g) Notwithstanding any other law, and contingent upon the  
30 availability of funding, the department may adjust the after school  
31 grant cap of any grantee based upon one or both of the following:

32 (1) Amendments made to this section by Chapter 555 of the  
33 Statutes of 2005.

34 (2) The demonstrated pupil attendance pattern of the grantee.  
35 The department may adjust grant awards pursuant to subparagraph  
36 (A) of paragraph (1) of subdivision (a) of Section 8483.7.

37 (h) Funds received but unexpended under this article may be  
38 carried forward to subsequent years consistent with federal  
39 requirements. In year one, the full grant may be retained.

1 (i) If funds remain after all of the priority allocations required  
2 pursuant to subdivisions (a), (b), (c), and (e) have been made, the  
3 department may use that money to fund additional qualified grant  
4 applications under subdivision (c), in order to ensure that all federal  
5 funds received for these purposes are expended for these purposes.  
6 If funds remain after additional qualified grant applications are  
7 approved for funding pursuant to subdivision (c), the department  
8 may award the remaining funds for additional qualified grant  
9 applications pursuant to subdivisions (b) and (e).

10 (j) In any fiscal year in which the total state appropriation for  
11 that fiscal year exceeds the total state appropriation for the 2008–09  
12 fiscal year after funds have been allocated pursuant to subdivision  
13 (a), the excess amount shall be allocated on a priority basis for  
14 after school grants to community learning centers funded pursuant  
15 to Section 8421 as follows:

16 (1) Thirty-five percent to community learning centers serving  
17 high school pupils.

18 (2) Fifty percent to community learning centers serving  
19 elementary and middle school pupils.

20 (3) Fifteen percent to summer programs serving elementary and  
21 middle school pupils.

22 (k) This article shall be operative only to the extent that federal  
23 funds are made available for the purposes of this article. It is the  
24 intent of the Legislature that this article not be considered a  
25 precedent for general fund augmentation of either the state  
26 administered, federally funded program of this article, or any other  
27 state funded before or after school program.

28 ~~SEC. 21.~~

29 *SEC. 22.* Section 8484.85 is added to the Education Code, to  
30 read:

32 compliance with Section 9795 of the Government Code, a biennial  
33 report to the Legislature related to the pupils attending, and the  
34 program quality of, expanded learning programs. The report shall  
35 include data that is derived by matching the unique statewide pupil  
36 identifiers with data in the department's data systems and may  
37 include, but is not limited to, aggregate reporting of all of the  
38 following information:

39 (a) The number, geographical distribution, and type of sites and  
40 grantees participating in expanded learning programs.

- 1 (b) Pupil program attendance and pupil schoolday attendance.
- 2 (c) Statewide test and assessment scores.
